[canine tail docking faq avma](#)

The history of veterinary opposition to cosmetic tail docking is long. One example from the United States being characterization of cosmetic tail docking as "indefensible" in *The Dog* by Youatt & Lewis (1854). 8 Most veterinarians tend not to support routine, cosmetic tail docking as part of a breed standard, 9,10,11 however, there is a lack of data relating specifically to the attitudes of ...
