### [where can i find someone to dye my clothing for me](#)

Where can I find someone to dye my clothing for me? There are few businesses willing to do custom dyeing-to-order these days. You will probably not be able to find a local dyer or dry cleaner willing to redye your clothing for you, but you can mail it to one of the five dyeing services listed in the topmost box, below.

### [african textiles contemporary african art](#)

Cloth production methods include woven, dyed, appliquÃ©d, embroidered and printed techniques. Printing and dyeing and hand painting occurred on all types of woven cloth and also on leather (hide) and bark.

### [alpaca fiber wikipedia](#)

Alpaca fleece is the natural fiber harvested from an alpaca. It is light or heavy in weight, depending on how it is spun. It is a soft, durable, luxurious and silky natural fiber. While similar to sheep's wool, it is warmer, not prickly, and has no lanolin, which makes it hypoallergenic. Alpaca fiber is naturally water-repellent and difficult to ignite.
